Clean out your attic, basement, garage or shed and make some cash! For only $10, you get advertising in local newspapers, the Pennysaver, Craigslist, and signs posted for you. Maps are provided to all shoppers. Simply set up in your yard, driveway or garage and buyers will come to you. What could be easier?

Last year more than 50 Arden residents participated. Proceed enabled the Kids Club to host events like the annual Easter Egg Hunt and Halloween Party. If you or your neighbors have participated in past years, you know how successful you can be when there are hundreds of buyers in our community.
